INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Affidavit

State of Missouri } In the matter of Francis J. Sheppard
County of Greene } ^a Ind claim for participation in fund appro-
priated June 30 1806 by Congress to
Western and Emigrant Cherokee Indians
and their descendants

On the 24th day of July A.D. 1906 personally appeared before me Orville E. Hornum a notary public in and for said County duly authorized to administer oaths. James Harnolson aged 80 years a resident of Webb City Jasper County Missouri now sojourning in Springfield Greene County Missouri. whose Post office address is Webb City Jasper County Missouri well known to be reputable and entitled to credit, who being duly sworn on his oath declared and saith, in relation to said case. I was well acquainted with Alexander Brown in his lifetime. He came from Monroe ^{or McMinn} County Tennessee and located and settled near what is now known as Brighton Polk County Missouri over about the year of 1836 or 1837. He came to said Polk County Missouri two or three years before his death. The said Alexander Brown whom I first knew him, lived in Monroe ^{or McMinn} County Tennessee. I have heard that he came to Tennessee from Georgia. While in Tennessee he lived about a mile from my father's residence. I knew said Alexander Brown as soon as I was old enough to know anyone as he visited my father and my father visited him, his family and my father's family visited back and forth very

often; his children and my father's children played together a great deal the two families were intimately acquainted with each other. I have a very clear and distinct recollection of hearing said Alexander Brown say that he was registered on the roll of Cherokee Indians before he left Tennessee, and I have heard him tell this before he left Tennessee and also after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee and I saw him and was intimately acquainted with him both in Tennessee and also in Missouri. The said Alexander Brown was a tall broad shouldered man inclined to be slender high cheek bones of dark complexion had black hair and eyes. He and his children were generally known and recognized and reputed to be part Cherokee Indians. They had the appearance of having Indian blood. I have heard said Alexander Brown and his children say that he was a half blood Cherokee Indian and they always claimed to be of Cherokee blood. The remains of said Alexander Brown were buried at what is now known as the Brock Grave yard near Brighton, Polk County Missouri. It was the general talk among the neighbors and children of said Alexander Brown that he was a half blood Cherokee and that he was on the roll of Cherokee Indians. I recollect that he was called by the Indians with name of "Swanee" when he left Tenn.

see and came west he was accompanied by a number of other families.

Said Alexander was the father of the following named children viz: Thomas Brown, John Brown, Brown Brown, Jack Brown Sarah (Brown) Hamblton who was frequently called Sally. Dicie (Brown) Fender Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annie (Brown) Pace. Violetta (Brown) Ruth.

Said Sarah (Brown) Hamblton was the mother of Martha L. Harralson, whose maiden name was Martha L. Hamblton who was the mother of Amanda J. Richards, whose maiden name was Amanda J. Harralson, whose first husband was Mellicious Brown who is now deceased. Said Amanda J. and William Brown are the mother and father of Percella Tindell, whose maiden name was Percella Brown, whose first husband was Frank Lovelace now deceased. Said Percella and Frank Lovelace are the mother and father of Francis J. Sheppard whose maiden name was Francis J. Lovelace who is the mother of Ralph Sheppard a minor son.

I further declare that I have no interest in said case and am not concerned in its prosecution.

In the matter of the claim of
Francis J. Sheppard et al
for participation in fund appropriat-
ed by Congress June 30, 1906 to
Eastern and Emigrant Cherokee Indians.

On this 25th day of July, A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for the aforesaid county, duly authorized to administer oaths, Russell Stokes, aged 86, a resident of Springfield, Greene County, Missouri, and whose Post Office address is #2130 Taylor Street in Springfield, Greene County, Missouri, well known to be reputable and entitled to credit, and who being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with, and knew Alexander Brown during his life time, from and after the time he came to Polk County, Missouri, which was about the year of 1835 or 1836 until the death of said Alexander Brown, which occurred about the year of 1837 or 1838. Said Alexander Brown located and settled at what is now known as Brighton, Polk County, Missouri. His remains were buried at what is now known as the Brock Grave Yard near Brighton, Polk County, Missouri. During the time above mentioned, that said Alexander Brown and I lived in the same settlement or neighborhood. We saw each other and were together quite often. We have fished together and have had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian-- my recollection is that he said he was a half blood Cherokee Indian and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian Rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown always claimed to be half blood Indian, and all his children claimed to be part Cherokee Indian and were recognized and reputed to be such by all who knew them.

The said Alexander Brown was very tall broad shouldered man, rather slim with dark hair and eyes and was of dark complexion.

Alexander Brown aforesaid had the following named children, viz: Sally (Brown) Hamblen, Dicie (Brown) Fender, Isom Brown, Violet Brown, Ruth, John Brown, Elizabeth (Brown) Ruth, Thomas Brown, Susan Brown, Proctor, Zach Brown and Annis (Brown) Pace. Said Sally (Brown) Hamblen was the mother of Martha Hamblen whose maiden name was Martha Hamblen who was the mother of Amanda J. Hamblen whose maiden name was Amanda J. Hamblen whose first husband William Brown was deceased. Said Amanda J. is the mother of Percilla Birdell whose maiden name was Percilla Brown, whose first husband was Frank Lovell, now deceased. Said Percilla is the mother of Francis J. Sheppard whose maiden name was Francis J. Lovell. I have no interest or concern in this case or its prosecution. Francis J. Sheppard is the brother of Ralph Sheppard. Personally known to me.

Sir:-

Your letter of May 7, 1907, addressed to the Commissioner of Indian Affairs, has been referred to this office for reply.

Relative to your application, you are advised that this claim has not been given especial consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for filing applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them. As there are already over 22,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information desired in connection with your claim you will be notified.

All further communications relative to this matter should be directed to this office.

Very respectfully,

My Dear friend I have just Received your
Letter of 6th inst. will say I had a talk with
my mother in regard as to the old red Sizemore
who left N. C. a bout 60 years ago, he was my

Built man never had any Bird smooth face
Except a little mustach. So Mrs lockwood all I

0 3 2
No. This old Ned Sizemore was my great
Uncle a Brother to my grandfather George
J. Sizemore. This may be the man, But I
have been always informed by my uncles
and aunts who is now all dead, in this way
my father was a son of George J. Sizemore
and George J. Sizemore a son of George Sizemore
and George Sizemore a son of Old Ned Sizemore
the Cherokee Indian. This is my understanding
in the matter, Jonnie Gourd Sizemore may
be one of Old Ned Sizemore children I
cant tell as you say there is a great many
Sizemores. There is no doubt - But what the
Sizemores is the or a part of the people that ought
to share in these funds ever since I can
recollect they have been called Indians
Cherokees. I hope you can cut off a few
of them of course I would like to come in
So you just work up this matter the very
best you can. I wish I could do something
in the way of proof. I hope you will succeed
in the matter. It seems to me you almost
have it in good shape. you no just how to
work up the proof and I hope you will have
good luck in this matter.

0 3 3
Dont Say any Thing a bout This to Mr
English about getting a good man to help
him in the Case of course he may not
want any Body But-himself. I hope if he
gets the Case up to Washington that you
can help him advise in the matter hope
you have heard from him before this time
I think Mr English will be to see us in
a few days and tell us all about the Case
and Judge ~~Daton~~, my god didnt it
take him a long time to give his opinion
on the Case. Somethings Rong There is a
screw loose some where. This property is
worth thousands of Dollars. Just Study if
Mr English wins what he will get.

Then again what a pile of money
they have to Back them, against us. So I hope
that god will direct the matter in its Right
Channel, and that it may Be on our Side

one more word

you Recollect John Reed is on the Roll and he is my
great grandfather on my Mothers Side he is my Mothers
grandfather a Cherokee Indian I Dont want to be left out
I can come in on his Side

0 3 3
I heard from Mr English he written Mr. John Day a letter that Judge Daten had concluded to just let the Decree stand just as he give it, and that Mr English was taking a new hearing in the case and was going to carry it up to the high courts at Washington D.C., Mr Lockwood if Mr English can get that Decree set aside I know that he can beat them out my god. I no we can beat them if we can get it before a juror, in our circuit court all we want is a man who will stick to them and I think Mr English will. But I did always think that Mr English ought to have a nother good atty. to help him. I think he ought to get the best and most talented man he could find to help him in this case he has 8 or 10 attorneys to fight and some of them is very good, but I hope he will still succeed and win the case. if he should do so there will be no trouble for him to get all the business he can attend to in N. Va. the attorneys out here says that English ought not be allowed to practice or plead law in N. Va. as he is a New Yorker

Honorable W. H. Ellis,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of April 5, 1909, inclosing a communication from Mr. J. A. Courtney, of Laidlaw, Oregon, who wishes information relative to his application for participation in the Eastern Cherokee fund.

In reply you are advised that the information already furnished in connection with Mr. Courtney's case is sufficient for the final adjudication of the same, but until I make my report to the Court I do not feel at liberty to announce my decision in regard to any particular case.

I expect to complete the enrollment so that I may make my report to the Court during the month of May, after which the Court will, no doubt, allow a reasonable time for the filing of exceptions to my report. Until these exceptions are considered and disposed of, and the roll finally approved by the Court, no money can be distributed.

Mr. Courtney's letter is returned to you, herewith.

Very respectfully,

Having purchased a few C. B. Cottrell power press, we offer the Campbell press, which we are now using, for sale. This machine will print a nine-column folio paper, and is good for many years yet. A complete new set of rollers goes with the machine. Will be sold cheap, a small payment down, the balance on long time. Can let purchaser have press within the next three weeks.

WELDON & WILLIAMS.
Gov. Steele, of Oklahoma, has resigned, and it is reported that he is to succeed Raum as pension commissioner.
It takes just three pounds of cotton to pay the increase in the price of set of iron ties this season, the McKinley bill.

The judicious advertiser never fails to get his share of the trade. As an advertising medium the ELEPHANT is no

rior to the Southern farmers. After trying this cotton four years, Mr. Ferguson is satisfied that it has come to stay. The variety comes "true to seed," and many farmers are getting ready to engage in its cultivation. It is more prolific than any other variety, and has from two to three hundred bolls that come to maturity on each stalk. Each boll contains more oil and plant food than ordinary cotton seeds.

Mr. Ferguson, the originator, says: On ordinary lands, with moderate culture, 400 bushels of seed may always be counted on, though much more can be made, if planted in hills 3x4 feet, three stalks to the hill. If the seed are sown broadcast like peas, up to June 10th, one bushel to the acre, they will mature 100 to 150 bushels of seed without work. And just let me say that this fact alone is enough to convince any reasonable man that lintless cotton is a God-send to the South. If, by any means the same fertilizing properties contained in 100 bushels of cotton seed can be so cheaply obtained, I have failed to hear of it.

Robt. M. Cook,
No. 1001, N. Y.

Sir:-

Relative to your application, Am. No. 14682, the parties in the suit arising from the judgment of the court in favor of the Earl of Sandwich, in reply to the query, "State the date and place of your birth", you have failed to give the date. In reply to the query, "Are you married?", followed with the question, "Name and age of wife", you say "Yes", and give as the name of your wife, "Robt. M. Cook". In answer to the question, "Through what right do you claim the share in this Charles Cook?", you say "Through my father, a daughter of Franklin Sizemore, etc", and in another query, "State the English and Indian names of your grandparents on both father's and mother's side", you give the name of Franklin Sizemore as being a grandparent on your father's side, and Polly Sizemore as being the grandmother on your mother's side. These answers are inconsistent with your statement that you claim your share through your mother. These are not the questions and should have been answered specifically and correctly.

Please advise this office your age, the name of your wife and her age, your grandparents on your father's side and your grandparents on your mother's side.

Did your great-grandfather, Franklin Sizemore, or any of your

Dear Sir:- In regard to application No. ^{14678 = 14666} ~~1499~~ for participation in the funds arising from an appropriation by Congress for the Eastern Cherokee Indians will say that my Grand Mother, Sarah Bell, I have always been told, was enrolled, I suppose at Murphy N.C. and as to why Daniel P. Mooney was not enrolled I do not know. None of my ancestors were held as slaves.

I do not know why my parents were not enrolled but suppose they did not think it necessary.

I think you must have overlooked the fact that I stated in my original application that I thought my Grand Mother, Sarah Bell was enrolled.

If this is not sufficient please let me hear from you again and I will endeavor to get up some more evidence.

William Triplett, being first duly sworn in behalf of Jesse Drywater, deposes and says:

I am about 65 years old: I know the parents of Jesse Drywater and I also know Jesse Drywater; The father of Jesse was Oo-tah-da-ge-skee or Thirsty or Dry for Water: His mothers name was Sah-wah-chih; They were old enough to be enrolled in 1851 but I do not know whether they were Emigrants or not.

(The above testimony was given in behalf of one Jesse Drywater and it developed after inquiry that the applicant notified was a nephew of the Jesse Drywater who appeared before me.) The father of Jesse Drywater has a ~~brother~~ by the name of John Drywater brother

whose is now living at Oaks, Okla. He is about 60 years old now. John Drywater was the only child who drew in 1851. He was living in Saline District when the census was taken and in Tahlequah District when the payment was made. The father of Jesse Drywater had a sister by the name of Lydia, E-er-tsah-gah, another brother by the name of Jesse, who is now living at Rose, Okla. His wife's name is Lila. (See Sal. 66 for the enrollment of the paternal grandparents of the applicant and the older brothers and sisters of father. The correct name of the father of Jesse is George instead of Charles)

Sam Owl is the step-father of Jesse Drywater. The father of applicant whose name is George Drywater, is now living at Oaks, Okla. His Indian name Oo-nah-dah-lee-kih and his wife's name is Susannah.

Was your mother living in 1851? If so, why was she not enrolled? Give the full names of your grandparents on both sides, and state whether any of them were ever enrolled? Why have you never been enrolled? Were any of your ancestors ever slaves?

State clearly all your reasons for thinking that you are entitled to participate in this fund.

An early reply will be appreciated.

Sir

I am in receipt of
your notice of the
12. inst & in regard
to your request will
give the following
answer. My father
was not any Indian
at all. Yes. my
mother was living
in 1851. & as for her
not being enrolled

2

I cannot say why
unless it was because
that she was drifted
away from her
people & lost track
of her indian - kered
for a number of
years but she never
ceased to care for
them & finally found
them again & was
visited by her Cherokee
indian relatives up
till 1871. She later on
died & since her death
I have not known much

at her indian Kene.
 my grand mother name
 was Charity. Foster
 her mother name was
 Charity Mason.

my grand father name
 was Isaac Foster

My great grand mother
 was Ellen Brown &
 was married to

Alford Mason
 Ellen Brown White
 is my great grand
 mother was a sister
 to Aaron Brown.
 & he was a child of his

4

Tribe & he is buried
at Tishimengo. & as
for my ~~own~~ grand
parents being enrolled
I cannot say for I
don't know. & as for
myself, not being
enrolled I can only
say that it has just
been neglect of my
father since my
mother's death.
& as for any of my
ancestors ever being
slaves. I cannot say
for I don't know.

As for me thinking
 that I am entitled
 to participate in
 this panel is that
 I was taught by my
 mother that I was
 Cherokee Indian from
 my birth up till her
 death. & since then
 I have lived among
 the Indians & seen
 their way of living
 & I am convinced
 that my mother
 must of been all
 most a full blood

6

Cherokee. indian
all so I have been
taught by a number
of my mother and
Aunt's that she
was Cherokee. indian.
I to my knowing
she never received
any funds from
her tribe so I think
I am entitled to
participate in this
fund.

#14718.

Jennie Roach being first duly sworn deposes and says:

My name is Jennie Roach, and I live at Cache, Okla. I am 38 years old. I claim my Indian descent through my mother, Ellen J. Douglas. My mother died 20 years ago in Tex. at the age of 56. My mother was born in Deborn County, Tenn. My mother left Tenn. and came west somewhere between 1850 and 1860. My mother got her Indian blood through both her father and mother. My grandmother was named Charity Juster, and my grandfather, Isaac Juster. Isaac and Charity Juster were born and raised in east Tenn. They went to Mo. before I was born and I do not know just the time. My grandmother was almost full blood, and grandfather claimed to be 1/2 Cherokee. My grandfather got his Indian blood through his mother, whose name was Brown. My great grandmother on my father's side had a sister by the name of Ellen Brown, and a brother by the name of Hiram Brown. Hiram Brown left Tenn. with the Indians, and came to the Indian Territory. He never left the Indians. None of my people were allowed lands in the Indian Territory. We applied but got no satisfaction, perhaps because we had not lived here long enough. I have no knowledge of my ancestry except just what I learned from my mother. I do not know that any of my family got money in 1852. We have always claimed our Indian blood among our neighbors here and down in Tex. My mother often talked a good deal about not being able to get the money that was due her.

Sir:-

Having heard nothing concerning my claim No. 14722. While some in this section have been called on for more information, while I believe nearly all the applicants from this section of country, trace their genealogy back to the daughter of an old Cherokee Chief(Bettie Pledge) who married Thomas Poindexter, To whom were born twelve children. Some of these descendants have had access to some old records, that others have not had the privilege to examine. I was advised by my Att'y. only a few days before the time expired, to present my claim, and did not have time to make an extensive search, After the Department notified me, that if farther information was required, I would be notified, I ceased my search, if however ,more information is necessary to establish my claim, I would like to take the matter up the first of the year, make a thorough search.

Most of the Cherokee Indians left this part of the State in 1837. Some however did not leave until 1847. James H. Johnson, who died near Elkin N.C. Aug. 16. 1907. was one of the members of the U.S. volunteers companies that took part in carrying the Eastern Cherokee Indians from this State to the Indian Reservation in 1847. who drew a pension from the Government for fifteen years prior to his death.

Please inform (or advise) me in this matter, I am inquiringly Yours.

No. 14722

JOHN H. SCOTT, being first duly sworn, deposes and says:

My name is John H. Scott; my address is Winston-Salem, N. C.: I am 48 years of age. I have lived here 17 or 18 years, coming from Yadkin Co. I was born in Surry Co., moved to Yadkin Co. when 2 ~~or 3~~ or 3 years old. Sarah Catharine Ayers is my cousin. Her mother and my father were brothers and sisters. The testimony of Sarah Catharine Scott has been read me, and I concur with her testimony, except I think Nancy Martin's father's name was Jobe Martin, whose wife was Melinda Martin; Melinda Martin was the daughter of Ann Radford Scott and Daniel Scott. I never claimed to be an Indian until this matter came up--I had never heard there was any Indian blood in my veins. About the close of the war, I heard my grandmother say, in connection with the incident of Betty Poindexter's having killed a deer, that it was a wonder she was not afraid; but my aunt Polly Poindexter said she had just enough Indian in her not to be afraid. I don't know what kind of an Indian she was; would naturally think a Cherokee, because where I was raised there was lots of Indian relics and there were Cherokees in there. They might have been some other tribe of Indians.

Dear Sir:-

Replying to your favor Feb'y 12th, beg to say that Catherine Ratling Gourd, who was my Grandmother, married Drowning Bear, and had one child who was my father. While my father was quite young his father (Drowning Bear) died and my Grandmother married Washington Campbell after whom my father took his name. I have no record, but this is what I have been taught from my childhood, and for this reason I do not know where my ~~grand~~ father was enrolled in 1851, but I think it was some where in the Cherokee Nation.

Yours very truly,

Isabel Mass

Isabelle Starr being first duly sworn, deposes and says:

That I am about 46 years of age. My father claimed to be 1/2 Cherokee and my mother claimed to be 1/2 Cherokee. It was my father's mother and father both from whom he got the Indian. Samuel Campbell was my father. Wash Campbell was my grandfather, that is, he was my father's step-father and it was he from whom my father took his name. Drowning-bear was my grandfather - my father's own father. Katy Rattlinggourd was the name of my grandmother. My grandparents on my mother's side, I don't know. My mother was about 25 or 30 years old at the time of the war. My father was 67 years old when he died. I expect my parents ought to have been on the 1851 roll. They did not share in the Old Settler payment. Don't know when my parents were married. It must have been way after 1851 that they were married. My parents were living in this country in 1851. My father was the only child. I have been enrolled by the Dawes Commission (16808).
